

Cardiopulmonary Services, supporting healthy heart and lungs.

This tournament will support Cardiopulmonary Services, through the purchase of two important machines.

The BiPAP machine is used in critical care situations to avoid intubation and a ventilator, lowering the risk of infection and damage to lungs that can occur when a patient needs help breathing.

The Air Blood Gas (ABG) machine helps our providers asses lung performance during diagnosis. It is used in everything from assessing someone suffering from smoke inhalation to monitoring blood sugar issues in diabetics.

This state of the art equipment will improve care and help us continue to provide excellent services to our community.

Valley Regional Healthcare

(603) 542-1837 • www.VRH.org
243 Elm Street • Claremont, NH 03743

Our Mission:

To improve community health, patient experience, and value.

Our Vision:

To partner with the community to optimize health by ensuring access to high value healthcare.

Our Partners:

By partnering with Valley Regional as a sponsor of our Annual Golf Classic, we thank you for demonstrating your commitment to the health of our community.
