## No Show Policy

A "No Show" is the term we use when a patient misses an appointment without cancelling it prior to the appointment. A failure to attend a scheduled appointment will be recorded in your medical chart as a "No Show". Three (3) "No Show" appointments in a rolling 12 months will result in a dismissal from all Valley Regional Primary Care Practices. If you will be more that 10 minutes late for your appointment, please call the office to reschedule your appointment.

## Prescription Refill Policy

Please allow up to 3 business days ( 72 hours) for refill requests. Please note that we do not typically order antibiotics over the phone. Our practice does not routinely order Narcotic Pain Medicine; therefore, you may be required to obtain these medications through a Pain Management Specialist.
